

**FCS Statewide Advisory Committee
February 24, 2006
Sacramento, CA**

I. Welcome & Introductions	<ul style="list-style-type: none"> • Members shared an interesting food or food trend 	
II. Review Agenda	<ul style="list-style-type: none"> • Add Academic Senate Report • FCS Council of Administrators – Allen Martin • IMPAC 	
III. Minutes of Sept. 30, 2005	Delete Geri as attending	
IV. Update Membership Roster		Update roster
V. Opening Remarks		
VI. Update on Budget for 2005/06	<ul style="list-style-type: none"> • Budget expenditures are on target; please be sure to respond to call for rooms and make sure you keep the reservations so we don't lose the prepayment 	
VII. Special Populations	<ul style="list-style-type: none"> • Reported on Special Populations Conference just held in Sacramento for 300 people • Shared "All Hands Raised" • Technical training around the state in each region • Sue Nelle DeHart will be presenting "A Framework for Understanding Poverty" in Salinas on April 28, 2006 • Diversity is age as well as skin color • Awareness of poverty is more important in the years to come with the trends in education 	<ul style="list-style-type: none"> • Give counselors talking points about FCS programs • Post information on FCS website • Poverty could be a topic for FCS FLASH

	<ul style="list-style-type: none"> • “Nickel and Dimed” is a book about living on minimum wage • There are opportunities through CSU Forgivable Loan program for underrepresented populations to get a PhD and to teach in CSU system 	
VIII. Future Funding	<ul style="list-style-type: none"> • FCS Biennial Conference to be held in LA at the Biltmore; committee is partnering with a number of projects to plan the conference • Statewide emphasis is going to be on accountability • FCS FLASH focuses on topics that help students be more successful and improve Core Indicators; • FLASH focuses on SLO last year to support faculty 	<ul style="list-style-type: none"> • If possible, schedule advisory committee for Thursday before the conference – coordinate with Allen Martin • Allen to talk to Sue Clark about Child Development Training Consortium • Look at Core Indicators reports for FCS and develop strategies for improving retention, completion and placement • Joann and Susan to schedule a conference call with Donna and Chuck to analyze FCS data and make suggestions for improving Core Indicators
IX Collaborative Grant	<ul style="list-style-type: none"> • Student Leadership Events – Green in the Inside –March 3; Fashion Symposium –March 11; Culinary Arts sponsored by Shelton Poultry and Lee Kum Kee-May 12; San 	<ul style="list-style-type: none"> • Take posters to colleges to advertise student events • Lucy needs to contact Lisa about revision to March 17 Child Development event

Francisco ID Event in San Francisco;

- **Professional Development events: “Exploring the World of Desserts & Bakery Convenience Products” May 18-19 for 12 culinary educators present by Shirley Brown, Rich Foods; May 12 Senior Summit in Sacramento for senior consumers chaired by Maria Shriver sponsored by Dept of Consumer of Affairs**
- **FLASH is main way to implement staff development; faculty are using worksheets; colleges are forwarding FLASH;**
- **Curriculum is delivered in FCS FLASH and FCS website from content writers, Partnership Mini-grants, and Child Development Forums**
- **Website improvement is under development**
- **University page includes private and public institutions with links to FCS programs**

- **Continue to post students and faculty staff development events on the FCS website**

- **Thank you to Lucy for coordinating proposal and activity which was very worthwhile activity**
- **Lisa needs to participate in website enhancement discussions**
- **Add Allen to CSU Northridge**
- **add ASSIST.org under links**
- **Include all schools on the website; contact Sue Stanley for complete FCS contact list for higher education; List programs alphabetically with an**

- **ASSIST links to majors at UC and CSU**

- **Articulation Activities – Community College Summit in September was very successful and people want to meet again; IMPAC was not well attended for FCS in fall; no one for gerontology, fashion and interior design;**

- **Allen attended IMPAC in January; disciplines seemed to be doing their work and it is a very worthwhile project which should be supported by available resources; IMPAC is important because FCS programs are impacted with enrollment and articulation is important**

- **Lower Division Child Development transfer pattern task force met and wanted to support IMPAC; six units from CC were accepted; good stimulation for CC and CSU faculty to meet; IMPAC may continue to do**

indication for comprehensive FCS program disclaimer

- **Refer to ASSIST for majors**
- **Link programs from discipline pages to University Connections**
- **Explore home economics teacher information for every discipline page**

- **Continue to support IMPAC activities**

	<p>regional meeting due to funding for next year;</p>	
<p>X. Partner Agency Reports</p>	<ul style="list-style-type: none"> • Chancellor’s Office-Geri Douglas; Grants to be renewed at same funding level; VTEA funding will have more monitoring and accountability; renewals documents are not out; federal funding to be cut by 1% across the board for 07/08; Buck McKeon will be the new committee chair for education • Lucy Berger-PFA would require a Bachelors degree for all; workforce development issue around PFA; articulation is extremely important; there is funding in PFA for workforce development and financial aid; system is making connections with CSU partners and developing plans to be proactive if PFA passes; 	<ul style="list-style-type: none"> • Include legislators on the list for activities and keep them informed about FCS leadership activities; highlight programs and testimonials by students;
<p>XI. Non-credit alignment project</p>	<ul style="list-style-type: none"> • VTEA study to look at non-credit system in California • Working on basics and definitions • Non-credit area is not well defined • Focus groups on Parenting, Older Adult and Home Economics • 707-762-2838 Brad Morrison if you have questions • Title V definition of Home Economics; confusion in community 	<ul style="list-style-type: none"> • Brad to send flyer to Lisa for FLASH and Susan will send to advisory committee

	<p>service and credit courses;</p> <ul style="list-style-type: none"> • Time to clean up terminology of Title V • Discussion on approval of non-credit courses and programs at System Office; • Focus of project is to develop/revise definitions and process for approval of non-credit programs/courses, make recommendations to the System • Non-credit courses are free; usually colleges that have responsibility for adult education in their community; helps students to get into the community college system; very important for immigrant population in many communities; • 1/3 of community college students have taken one non-credit course • Basic skills, ESL, short-term vocational courses are the most popular • High school districts send the drop out population to the community college so they don't have to count them as a drop out 	<p>Geri. Donna and Vicki to look at this project at the System Office</p>
<p>XII. Industry Updates</p>	<p>Christine Passalacua. -employment is</p>	<p>Include information in FLASH</p>

likely to grow faster than all other occupations through 2008; education and business background are essential; Occupational Outlook Handbook published by Bureau of Labor Statistics; edd.ca.gov Career Center has a lot of good information on careers for all disciplines;

Cynthia Schlesinger, Gerontology - Senior Summit in Sacramento; national teleconference on Hospice of America, “Pain Management at the End of Life”; Society on Aging in Anaheim in March; Cynthia has a new job to develop a Career Center; Degree program in Gerontology is being developed at CSU Northridge; San Diego program has been maintained; Cynthia is adding curriculum to her articles for the website; profession is trying to get certification

Shirley Brown, Food, Nutrition and Culinary- growing industry with integration of Culinary; food industry is expanding and consolidating at the same time but there are more jobs; trends are ethnic and increased consumption of grain and fiber products such as white whole wheat; new regulations by USDA to define

Collaborative Grant to develop talking points for counselors for each discipline and distributed to Regional Consortia and Career Development listservs

Send regional career development workshops to committee and FLASH

	whole grain;	
XIII. Future Meeting Dates	<ul style="list-style-type: none"> • May 5, San Francisco, Prescott Hotel • 	
XIV. Other		
<ul style="list-style-type: none"> • Allen Martin – Human Sciences & Council of Administrators • Academic Senate-Patty Dilko 	<p>Trends for program growth include:</p> <ul style="list-style-type: none"> • Reemergence of FCS programs <p>Interior Design and Apparel are growing but Nutrition is slow; Family Studies is consistent and child development is slow except for CA; faculty salaries are consistent across the country which makes it difficult to recruit people to California; 60 Apparel jobs open across US</p> <p>FCS scope necessary as well as the area of specialty; need to educate on history of the FCS profession and recruit students to the profession;</p> <p>Upgraded math and english requirement is under discussion and they expect controversy; this could reduce access to degrees; English 1A and intermediate algebra are the recommendations as a result of high school requirement;</p>	
Education representative update	<p>Jill Golden- ADA is talking about eliminating the registration for Dietetic Technician program as it is not economical for them to support these programs; it is not a career ladder to Dietetics; food science and Culinology are popular and doing well; food science is being eliminated at the CSULB and Chapman; Chapman will continue to offer a Masters</p>	<p>Jill to send information on NASTA to Lisa for website and</p>

	<p>degree; National Association of Science Teachers is having a national convention in Anaheim; Nutrition and Dietetics will meet at CDA meeting in San Diego rather than IMPAC.</p> <p>Lori Graham, Interior Design – FIDER has changed name to Council on Interior Design Accreditation; NCIDQ has changed experience to hours rather than years for experience; Allen shared that CSU programs are impacted programs as a result of studio space so they have developed alternative programs – Northridge has developed Furniture, Fixtures and Equipment Retailing;</p> <p>Roger Gerard, Culinary Arts – Casinos in Tahoe area are brining workers to the US from Indonesia; The flattening of the world is effecting FCS disciplines in many ways;</p>	FLASH
